MEMORANDUM FOR THE RECORD

SUBJECT: Telephone conversation with Cong. George H. Mahon

Congressman Mahon told the Director that "before we go into conference with the Senate on the Defense Bill, I would like to sit down with you and two or three others who would be on the conference and ask you a few pertinent questions next week - will you be in town? "

The Director replied that he would be right here - any time.

The Congressman said he just wanted to be brought up to date on a few questions - intelligence questions, - no financial questions.

The Director indicated he would be very glad to do that and that he had recently briefed the Kilday Committee, for almost a whole morning.

Cong. Mahon said that somebody wrote a story in connection with the ICBM development, etc., and that Joseph Alsop also spoke to him about this but he could not quite get at what Joe was saying.

Cong. Mahon prefers to have the meeting between 11:00 and 12:00 some morning soon, and he will check further with the Director. The Director said he would be glad to do it at any time.
